INFOBIP VIRTUAL CLASSROOM 2020

infobip

DIPLOMA

This is to certify that

Enrico Kokot

has successfully completed the **"Infobip Virtual Classroom Fall edition 2020"** program and has acquired key skills and knowledge specializing in IT & Business enablement areas!

The program focused on providing a working understanding and overview of both business enablement topics and aspects of the IT industry and Infobip. The program enabled students to get in touch with the industry experts and hear valuable tips & tricks that will help them jump start their professional careers and prepare them for future career challenges.

Congratulations on completing the program and best of luck in your future career!

December 2020

Silvio Kutic
Chief Executive Officer
